## 21ª FERIA DE ARTE CONTEMPORÁNEO 4 - 8 MARZO 2026

Art Madrid will celebrate its 21st edition from March 4 to 8, 2026, at the Galería de Cristal of the Palacio de Cibeles, having established itself as an essential event within the national and international circuit of contemporary art fairs. With a solid track record and a defined identity, Art Madrid presents itself as a dynamic and interdisciplinary platform that brings together around **40 national and international galleries** with proposals focused on recently produced contemporary artworks.

Aimed at a broad and specialized audience, the fair combines a carefully curated artistic selection with a strong commitment to the professionalization of the sector and the visibility of gallery work. In addition to the gallery program, Art Madrid develops a parallel program of activities throughout February, promoting dissemination, reflection, and dialogue among cultural agents, collectors, and new audiences.

Art Madrid'26 will be held in the Galería de Cristal of the Palacio de Cibeles, a spacious, bright, and centrally located venue in the cultural heart of Madrid, just steps away from the city's main museums. This strategic location, together with the strength of the project, has enabled the fair to attract more than 100,000 visitors in its last five editions.

There will be no painting, writing, drilling or studding of the floor.

The repair of any damage caused by a participant in installations, columns, walls, glass, floors, etc. will be at the exhibitor's expense.
